SUBJECT: Weekly Activities Report #45  
3 - 9 November 1960

## I. SIGNIFICANT ITEMS

Nothing to report

## II. OTHER ACTIVITIES

a. On Thursday, 3 November, I lunched with Mr. Pforzheimer to discuss the item in the IG report recommending closer coordination between the library [REDACTED] and Mr. Pforzheimer's intelligence collection. No great progress was made at this meeting. It appears that before making recommendations on this matter, I should visit Mr. Pforzheimer's office and become completely familiar with his operation. This will be done as time permits.

b. As a result of the discussion relating to the Clandestine Services Orientation block on 3 November and my conversation with [REDACTED] on 9 November, I believe we should transfer the Clandestine Services Orientation [REDACTED]. I am of the opinion that we should not integrate the OFC into the OC but should continue to run them as separate courses. The CSO portion may be integrated into each of the two courses or handled as a combined effort according to the desires of the [REDACTED] Training Staff.

c. In conversation with [REDACTED], I explained our position with regard to [REDACTED] i.e., [REDACTED], and received from [REDACTED] a hearty concurrence on the feasibility of continuing the training in the suggested manner. It is hoped that [REDACTED] will continue to maintain this position in conversations with [REDACTED]

e. As reported by telephone, the visit of [REDACTED] to [REDACTED] on 9 November, during which time he addressed the graduating OFC group, went off rather successfully. [REDACTED] and [REDACTED] also attended the graduating ceremonies and the evening social gathering of the OFC group and instructor staff. I believe all hands found the visit useful.

f. The paper addressed to the DTR by Chief/CA Staff, requesting establishment of a CA seminar, has been the subject of conversation between [REDACTED] of CA Staff, and [REDACTED]. We will be forwarding to you in the very near future a suggested reply to [REDACTED] in which we accept this requirement in principle but point out that there are myriad details to be discussed and agreed upon before we can schedule and present such a course.
